Secretary 920-980-3009

Support the clubs that maintain you local trails

Hello--- Thank you for interest in the Howard's Grove Lakeshore Driftbusters snowmobile club. The club was established in 1970. The club consists of approximately 125 family memberships. The club maintains approximately 55 miles of trail in Sheboygan County. 45 miles of county funded trail and 10 miles of club trail, stretching from Haven to Rhine Center. All work done to get the trails ready each year is 100% voluntary and work is not manitory but greatly appreciated.

Groomers--- Trails are maintained by 2 groomers and a well trained grooming staff. Groomer # 1 is a 2001 John Deere 6410 tractor on tracks pulling an 8ft 6 inch drag. Groomer # 2 is a 4WD Case International 5140 tractor that pulls an 8ft 6 inch Arrow drag. We feel we have the best marked, best groomed and best maintained trails in the county. Just ride them and we feel you will agree.

In 2000, the club purchased some land and built a club building to store our groomers and all of our equipment. The building is located on the corner of Hwy 42 and Cty MM.

Landowners--- Our 110 landowners are the most important part of our trail system. Without there generosity and allowing us to use there land. We would not be able enjoy the sport we love. Our club stress's in each newsletter the importance of staying on the trails. Respecting the landowners and treating each piece of property you cross as if it was your own.

Community involvement--- Over the years, the Lakeshore Driftbusters have been involved with the local community. This ranges from yearly scholarships given to high school seniors. Sponsoring youth softball teams, sponsoring a local rider in the MS ride and donating to the local fire departments.

Fun stuff--- Snowmobile clubs are not all about work. There are lots of fun things to do. Hay rides, club snowmobile trips, poker runs, our Annual Brat Fry and Dance and Landowners appreciation dinner are just a few fun activities our club plans every year.

So, I hope you will consider joining the Howard's Grove Lakeshore Driftbuster's and make some new friends, get involved and enjoy. Return the membership application to the address on the card attached. Or call Kevin Kirsch at 377-1122. Thank you.
