

And sign up for notifications. Once signed up, as soon as I open or close the trails you will get a text or an email. It's very easy to do all you need is your cell phone number or email address. It will also be posted on the clubs facebook page. Once we get snow, please respect the landowners and stay off the trails until they are open. Even if you see the groomers out, that does not mean the trails are open. I will send the groomers out to make sure the trails are safe before we open.

**AWSC fall workshop...** I attended the AWSC fall workshop this past weekend at the Chula Vista resort in the Wis Dells. This event was well attended again this year with 703 members signed up for Saturday morning's general meeting. There were a lot of good breakout sessions which I attended, but the main point that was stressed was the trail pass. The trail pass is working. All projects (bridges, trail reroutes & maintenance) were approved for this past year, and starting the 2019/2020 season. New trails will start getting funded. This has not happened for almost 20 years. The trail pass is working. Miss Lakeshore Driftbuster Kaitlin Rietbrock ran for Miss Snowflake this year. Unfortunately, she did not win, but she represented our club well. So remember to pay your dues early and order your trail pass before the snow flies. The club does not have the passes. They need to be ordered from the AWSC and that is YOUR responsibility, not the clubs.

**Club trip....** This year's club trip will be February 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> At Lakeside Inn bar & grill in Athelstane Wisconsin. Please call Larry Rietbrock 645-5771 to make your reservation.

**Hay ride...** I would like to thank Tom and Wendy Ruh for hosting this year's hay ride. Also thank Larry Gumm for the use of the tractor and Kevin Kirsch for letting us use his wagon. It was a very cold day and a small group on the ride. More people joined us at Fudgienuckles for supper. But, we still had a good time and looking forward to next year.

Membership chair Kaitlin reported 77 members.

Nick Wilterdink Sheboygan County Youth Representative shared his trip to Nova Scotia with a very nice slide show.
